WATER EXERCISE CLASSES

Water Exercise is increasing in popularity among the fit and not-so-fit due to its low-impact, yet high resistance nature. Water exercise is a great cardiovascular exercise as well as strengthener and works all parts of the body including the core.

CLASS DESCRIPTIONS

HEALTHSEEKER: If you're just getting started, or trying to get back on track, these classes are for you. Instructors will provide you with personalized help.

ARTHRITIS - (Arthritis Foundation YMCA Aquatic Program) A water exercise program designed for persons with arthritis. Water exercise is especially good for people with arthritis since it can help relieve strain on muscles and joints. Co-developed by the Arthritis Foundation and the YMCA. Instructors certified through the Arthritis Foundation.

SPLASHERCISE- This is a water aerobics class taught by certified instructors. Splashercise will improve your aerobic endurance, muscular strength and flexibility.

WATER WALKING - One of the most low-impact, yet resistant form of exercise. Non-instructed, walk at your own pace.

MULTI-LEVEL: Classes listed below offer a variety of ways to get toned and in shape. Classes may be predominantly strength and toning or predominantly conditioning, but many contain both

AQUA EXERCISE - Increase strength, flexibility, and aerobic capacity in the water.

TONING - Enjoy this strength-based class in the water!

Water Tabata - Interval Training in the water that uses a variety of simple but intense exercises to provide a great workout.
